'The proper union of gin and vermouth is a great and sudden glory;
it is one of the happiest marriages on earth,
and one of the shortest lived'

- *Bernard De Voto*

Welcome to the Capital Bar.

My team and I have designed
this menu around our two favorites ingredients,
gin & vermouth.

To this end, we have sourced some beautiful
artisanal spirits that shine not only together
but also, apart.

Our cocktails are created with a modern nod to the past
and a playful wink to the products that inspire us.

As a team, we want you to enjoy your time with us.
If you have a favorite cocktail that is not listed,
please ask!

We are happy to make any drink requested.

Kamil and the Team

Masterclasses

Led by the knowledgeable bar team, masterclasses are a fantastic way to experience some incredible spirits expertly matched in surprising ways. Available for groups of 2-6, our individual masterclasses offer a personalised interaction throughout the experience and the chance to taste and learn at your own level. Larger groups available on request.

Essential Whisky Tasting

This tasting features a rotating selection of one Lowland, one Speyside and one Islay single malt. Our team will talk through a brief overview of whisky and the art of whisky tasting while serving and pairing each with a selection of our favourite cheeses. Priced at £45 per person.

Prestige Whisky Tasting

A tasting is for the true connoisseur that features fine single malt whiskies all over 18 years of age. Selection will rotate based on availability but will generally include one Highland, one Speyside and one Island whisky. Our team will take this tasting further in depth, exploring the unique differences in region and aging while pairing all three whiskies with 'best of the season' artisanal cheeses. Priced at £95 per person.
