06) Chimay Triple 8% abv 6.15

Chimay White is a very rewarding Trappist Triple that balances the fruity aroma of hops, with a malty sweet body and an assertive hop bitterness

07) Orval 6.2% abv 5.95

This unique Trappist beer uses full English hop flowers which give Orval the satisfyingly dry, bitter finish. Truly one of the world's greatest beers

Rochefort 10 is an outstandingly rich and complex Belgian dark which is consistently rated amongst the best beers in the world

Abbey Beers

Only a brew made at a Trappist monastery can use the word Trappist on its label - this selection is therefore labelled 'Abbey' in order to hint at a religious connection. Most of these beers are similar in style to Trappist ales in that they are strong and top fermented.

09) St. Bernardus Pater 6.5% abv 5.25

St. Bernardus Pater pours a lovely chestnut colour with piney aromas. Having been re-fermented in the bottle, the taste is full bodied with caramel notes shining through

Connoisseur's Choice

12) Bush Scaldis 12% abv 6.95

Due to the patience of the brewer as well as the high use of caramel malts, Bush Scaldis has a bitter sweet flavour and a smooth consistency. At 12% ABV, this is one of the strongest of the Belgian beers available

13) St. Feuillien

Grand Cru 9.5% abv 7.15

15) Lindemans Gueuze 5% abv 37.5cl 6.95

One of the original beer styles of Belgium, Lindemans Gueuze is a 5%, naturally fermented beer which is created by blending older lambic, which is quite sour and new lambic beer which is very sweet

18) Duchesse De Bourgogne 6.2% abv 5.60

A top-fermented Flemish red ale made by blending 8 and 18 month-old ales. 100% natural and unpasteurised this is one of the iconic Belgium beers

Pours a coppery golden colour with aromas of fine hops. In keeping with the style the first taste is quite bitter before becoming dry yet very refreshing. A true farmhouse ale

30) Delirium Nocturnum 8.5% abv

6.55

The sister ale to Delirium Tremens, Nocturnum is a strong and complex triple-fermented dark ale. Not for the faint hearted!

32) Leffe Brune 6.5% abv

33) Blanche De Bruxelles 4.5%^{abv} 4.75

The definitive example of a Belgian Wit beer. Coriander and orange peel are prevalent in both the aroma and taste, lending the beer a spicy, zesty sensation

34) St. Bernardus Wit 5.5%^{abv} 4.85

St. Bernardus was created by Pierre Celis, the godfather of the revival of Belgian wheat beer. An apple-like tartness fills the palate before the subtle spicy notes, brought on by using coriander and orange peel in the brewing process, help to balance out the beer
