WILD HEART SOHO

BAR & SHOKUDO

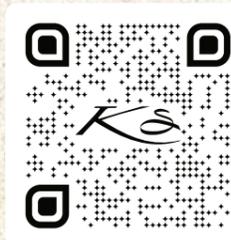

Encompassing the spirit of the hotel, Wild Heart Bar & Shokudo offers a casual dining experience, whether enjoying dinner or a sharing plate in one of our cosy and private booths, alternatively you can tuck into a lite bite on one of our comfy sofas in our cocktail lounge.

Open all day for breakfast - lunch - dinner - coffee, cocktails and Wild Heart's unique afternoon tea.

We have partnered with Garry Hollishead, a three-time Michelin star chef and culinary legend who has headed up some of London's and other international capital's most renowned restaurants with a career spanning over three decades.

He has returned home to collaborate once again with Karma Sanctum Soho's owner Mark Fuller with a vision of casual Japanese food focusing on sustainability and locally sourced ingredients.

We have a brand-new cocktail menu featuring both oriental and classic cocktails, sake offerings and a hearty wine list.
