# OUR STORY

The Tickled Trout pub is proudly independent... owned by Chris Mapp and nestled in the idyllic Derbyshire village of Barlow. Chris couldn't believe his luck when his old local came up for sale, and has worked tirelessly to transform this run-down country drinking hole into a stunning dining pub that the village can feel proud of. Chris and his dedicated team believe in using great ingredients sourced from local suppliers they know and trust... and they believe you'll taste the difference. The Tickled Trout is open to everyone, so whether you want to enjoy a delicious meal or quiet pint, you'll always be welcome in our pub. If we've tickled your fancy, just get in touch to book a table!
